

July 11<sup>th</sup> 2018

---

**Hello Everyone.**

I hope this letter finds you well and that you are enjoying your summer. While making your plans for the fall, please save some time to join us for the annual **NALMA Workshop and QCS Advisory Committee Meeting for Laboratories**. This year's meetings will be held in Kansas City, Missouri.

The workshop will be a great opportunity for all participants to exhibit their products as well as reach field and lab managers across the United States, Mexico and Canada. There will also be time set aside for a little fun and a chance for workshop participants to visit with each other.

We anticipate another successful meeting this year, as we have had in the past with thanks to all the businesses and members that have provided support. The details for the workshop are below. If you have any questions, please contact John Rhoads, NALMA President or Julee O'Reilly NALMA Vice President. John – 877-357-5227 or [jrhoads@elsmilk.com](mailto:jrhoads@elsmilk.com), Julee – 614-545-0460 or [juleeo@dhicoop.com](mailto:juleeo@dhicoop.com)

**We hope to see you there!**
